RE: Tobacco Cessation Counseling – Pennsylvania certification required for reimbursement

Effective January 1, 2023, AmeriHealth Caritas PA/AmeriHealth Caritas PA CHC will not reimburse a dental provider for tobacco counseling services (D1320) unless their name appears on the Pennsylvania registry of certified counselors. Unfortunately, we have not been able to locate documentation of you and/or your staff's Pennsylvania Tobacco Counselor Certification on the registry. This certification allows AmeriHealth Caritas PA/AmeriHealth Caritas PA CHC to provide reimbursement for this service.

Please refer to the attached Dental Tobacco flyer for instructions on how to become a Pennsylvania certified tobacco counselor. The flyer can also be found at www.amerihealthcaritaspa.com or www.amerihealthcaritaschc.com. → Resources → Dental program.

If this is an oversight and you do possess the certification, please fax or e-mail the documentation to:
